DRAGGOO RESIGNS

Mr. R. E. "Red" Draggoo submitted his resignation as director to President Philo prior to the annual meeting. The Board, at regular session, accepted his resignation with regret and instructed the chairman of the nominating committee to fill his unexpired term.

Mr. Draggoo has had major surgery recently and he feels that he will be unable to attend meetings. We are all sorry to see Mr. Draggoo leave the family of officers. We will miss him.
